

# Animal Communication Part I

in

- [Animal Communication](#) [1]

In this workshop you will learn telepathic or intuitive communication by experiencing it in a fun, supportive atmosphere. We will be working with special animals that attend the workshop and with your animals at home using pictures and descriptions. There will be simple, verifiable exercises so you can experience and understand that intuitive communication is real and that anyone can do it. Telepathic techniques will be taught so that you can begin to speak with your own animals and understand what they are saying to you.

**Note:** You may also want to read the book *Learning Their Language: Intuitive Communication with Animals and Nature* by Marta Williams.
